# Handle DUO

## Dual workspace efficiency

Maximize productivity with this dual desk frame, offering two separate workstations in one. Adjust the height of each side manually with the handle to fit the user's needs, with a height range of 680 - 1130 mm for personalized comfort.

## Manual lifting capacity

Built for strength, this desk frame offers an 80 kg lifting capacity per side. With stable manual adjustments, it is perfect for handling standard office equipment while ensuring a solid and steady workspace.

## 5 year warranty

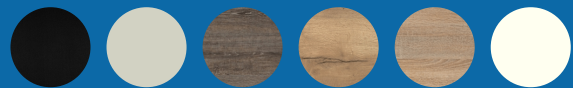

Reliability is key when it comes to a height-adjustable desk, especially for larger office projects. The frame is therefore provided with a 5 year warranty period, supporting the quality, durability, and longevity that this frame stands for.
