1-motor desks

Drive

Height adjustable

Easily adjust the sit/stand height of the desk with the included premium handset, ensuring a smooth working experience at any height between 690 - 1150 mm. On top of that, features like, storing presets, setting timers, and setting child-locks are also included.

Competitive price to quality ratio

The "Drive" offers an exceptional price to quality ratio, thanks to the budget-friendly WP-H75T handset, designed to deliver high-performance without compromising on functionality.

Capacity and safety

The "Drive" is able to carry work essentials with a lifting capacity of up to 100 kg. This is due to the budget friendly single-motor setup that is in direct connection with the built-in anti-collision sensor, ensuring a smooth height adjustment without tilting.
