Flow

Height adjustable

Easily adjust the sit/stand height of the desk with the included premium handset, ensuring a smooth working experience at any height between 625 - 1275 mm. On top of that, features like, storing presets, setting timers, and setting child-locks are also included

Anti-collision safety

Safe by default, the built-in anti-collision sensor monitors the height adjustment of the table top. If any shocks or imbalances occur during the height adjustment, the process is immediately stopped.

Functional in every situation

Whether used as a single workstation or a conference table, this desk guarantees easy and flexible working. With the modern design it fits almost anywhere, perfect for every situation.
