

Joy

Premium control

Equipped with the premium WP-H76 handset, the "Joy" provides functionality with a wide range of features. Seamlessly adjust height (625 - 1275 mm), store presets, set timers, child-locks, connect through Bluetooth, and much more...

Ergonomic

Designed with ergonomics in mind, the "Joy" effortlessly lets you adapt to your preferred working height, promoting a healthy sit or stand position.

Sturdy

Built to endure the demands of daily use, the desk stands firm with a frame featuring square columns. Allowing the user to enjoy reliability and stability in every aspect of their workspace.
