

Ypsilon

SKU: AK2YJYT-TYZF3-Y-M02

2-motor desks

Ypsilon

Height adjustable

Easily adjust the sit/stand height of the desk with the included premium handset, ensuring a smooth working experience at any height between 710 - 1170 mm. On top of that, features like, storing presets, setting timers, and setting child-locks are also included.

Y-columns

This desk distinguishes itself with unique Y-columns providing immense stability. Additionally, the presence of Y-columns contributes to an exclusive appearance for both the desk and the surrounding environment, particularly when in large numbers.

Capacity and safety

Whether it is papers or a complete work-setup, the "Ypsilon" is able to carry work essentials with a lifting capacity of up to 120 kg. This due to the dual-motor setup that is in direct connection with the built-in anti-collision sensor, ensuring a smooth height adjustment without tilting.
