3-motor desks

Twist (90°)

Unique L-shape design

Designed with a 90° angle, the "Twist" can be used in a lot of a different ways, perfect for complex or smaller environments that are in need of a large workspace. In addition, the 90° angle allows for additional storage possibilities underneath the desk as well.

Height adjustable

Easily adjust the sit/stand height of the desk with the included premium handset, ensuring a smooth working experience at any height between 625 - 1275 mm. On top of that, features like, storing presets, setting timers, and setting child-locks are also included.

Capacity and safety

The "Twist" is able to accommodate all work essentials with a lifting capacity of up to 150 kg. This is due to the triple-motor setup that is in direct connection with the built-in anti-collision sensor, ensuring a smooth height adjustment without tilting.
