

Block

SKU: AK4YJYT-TYZF3

4-motor desks

Block

4-motor precision control

Controlled by 4 powerful motors, the "Block" can be precisely adjusted in height using the TDH6 handset from 625 to 1275 mm. Allowing the user to find a comfortable position whether sitting or standing.

Heavy-duty lifting capacity

Built to handle heavy loads, this frame comes with a 200 kg lifting capacity. The square construction offers stability, making it ideal for supporting multiple monitors, desktop equipment, or other heavy items.

Adjustable frame width

Customize your workspace with adjustable frame width. Choose from 860, 1000, or 1400 mm. This 3-stage adjustability ensures compatibility with your preferred table top, allowing you to make the most of your space.
