AOKE EUROPE

- » Founded in 2016
- » 5.500 square meter warehouse
- » 1.000 square meter office space and showroom
- » Most products have a 5 year warranty period
- » Exporting towards 28 European countries

MISSION

At AOKE we develop and provide our customers with high-quality, ergonomic office equipment in order to promote the well-being and productivity of office employees. Supported by our high service level and fast delivery times, we offer an excellent experience for our customers.

VISION

While being a leader in sustainability we promote a healthy office environment on a global scale with high quality equipment. We are anticipating on the latest trends in the industry by focussing and investing in R&D. We keep replacing old fashioned office equipment by our modern, ergonomic products, so employees will be happy to come to work every morning.

GREEN, HEALTH & COMFORT

At AOKE we have a strict commitment towards the environment, health and comfort.

AOKE is managed in accordance with ISO:14001, this means preventing environmental pollution. We make use of environmental friendly resources in our products. Moreover, we control the risks resulting from our organisational activities. So we won't damage the earth when providing a healthier workplace for you!

AOKE is focussed on health by ergonomic desks and chairs. We want you to stay healthy and keep the best body positions throughout your day. By working with ergonomic desks and chairs your body and mind will stay healthy, which will lead to a higher productivity. Key here is an alternation of good working postures, a variety of tasks and sufficient breaks from sitting. AOKE for a healthy workday!

AOKE focusses on both health as comfort, it is important to have a comfortable office chair to provide you with the peace you deserve. AOKE office furniture will let you enjoy your breaks even more! Comfort comes from quality, at AOKE we only deliver the most high-quality office furniture for you!

TIMELINE AOKE EUROPE

over the last 5 years, AOKE
Europe grew to €17.2
million revenue

2022

Relocation towards new 5500m²
warehouse

CERTIFICATION

At AOKE Europe we strive to provide you with the best quality office furniture, therefore we are constantly optimizing and improving our processes. The following certificates apply to our organisation.

ISO 9001

With an ISO 9001 certificate we show our customers that our processes meet international standards and attach great importance to continuous improvement of our processes.

CE

Our CE certification is an key indication our products comply with the legislation of the European Union.

NEN EN527

The NEN EN527 Certification specifies our high-quality products comply with safety, strength and durability requirements for work tables and desks used for computer and office tasks.

ROHS

ROHS stands for Restrictions of Hazardous Substances. At AOKE Europe we comply with the regulations regarding restricting the use of hazardous substances in our electronic equipment.

NEN EN1335

A European standard that specifies dimensions, adjustment possibilities and corresponding adjustment ranges. AOKE provides these standards so our office chairs are suitable for the majority of the European population.

HOLDERS & MONITOR ARMS

Universal CPU holder	PAGE 101
Keeper	PAGE 101
Twin keeper	PAGE 102
Manual single monitor arm	PAGE 102
Monitor arm bracket	PAGE 103

Universal CPU holder | SKU: CPU.UNI

By using the CPU holder you can mount your computer on your desk in a neat and universal way.

Height adjustability (mm)	: 300 - 455
Width adjustability (mm)	: 135 - 245
Warranty period (years)	: 2
Available colours	: Aluminium : Black : White

Keeper | SKU: AK-ZD100

The "Keeper" is our new and improved single monitor arm, featuring gas spring adjustability for effortless height, and angle adjustments. This model offers the same smooth performance as its predecessor, while being even more competitive in price.

Suitable monitor size (inch)	: 13 - 36
Rotating angle	: 360°
Height range (mm)	: 148 - 445 mm
Weight capacity (Kg)	: 2 - 12

Twin keeper | SKU: AK-ZD200

The "Twin keeper" is our new and improved dual monitor arm, featuring gas spring adjustability for effortless height, and angle adjustments. This model offers the same smooth performance as its predecessor, while being even more competitive in price.

Suitable monitor size (inch)	: 13 - 36
Rotating angle	: 360°
Height range (mm)	: 148 - 445
Weight capacity (Kg)	: 2 - 12 (per arm)

Manual single monitor arm | SKU: AK-MA09S

This handy monitor arm allows one or, if extended with a bracket, two VESA monitors to be easily adjusted to the right height for the user.

Suitable monitor size (inch)	: max. 32"
Rotating angle	: 360°
Height range (mm)	: 180
Weight capacity (Kg)	: max. 15

Monitor arm bracket | SKU: AK-MA09B

By using this handy bracket extension 2 VESA monitors can be attached to the single manual monitor arm. In addition, this product is very quick and easy to mount.

Suitable monitor size (inch)	: max. 27"
Height range (mm)	: 180
Weight capacity (Kg)	: max. 15
Warranty period (years)	: 2

DESK RISERS

Enhance	_____	PAGE 106
Advance	_____	PAGE 106

Enhance | SKU: AK-MR-P13-2

This desk riser fits on any desk or table. With a simple gas spring construction you can adjust this platform to your desired height.

Type of desk riser	: Pneumatic
Adjustable height range (mm)	: 55 - 408
Lifting capacity (kg)	: 8
Warranty period (years)	: 5

Advance | SKU: AK-MR-E03S

This desk riser fits on any desk or table. With the electric construction you can adjust this platform to your desired height through the up and down button.

Type of desk riser	: Electric
Adjustable height range (mm)	: 150 - 500
Lifting capacity (kg)	: 20
Warranty period (years)	: 5
